Re: Flow Centric

Dear Sir, Madam

This letter serves to confirm that Flow Centric build and delivered 6 x 22kW process water evaporators to our site. Although the order was placed very late last year, I am happy to say they did honor their commitment to deliver it on time before our financial year ended.

This company did all they could to assist us with their knowledge and skills. The support that was given was excellent and I would recommend this company for business to any other company seeking to deal with them.

We commission the first 2 evaporators and it performed well as per specifications. I am satisfied with their overall service.

Yours faithfully

Luther Schoeman (Pr. Cert. Eng.)
