RE: EVAPORATION SYSTEM INSTALLED AT HOLFONTEIN LANDFILL SITE

Dear Sirs,

This letter serves to confirm that Flowcentric Mining Technology completed a Turnkey solution at our Holfontein Landfill Site. The scope of work is as below:

1. Flowcentric mining Technology is currently evaporating at cell 7 as from April 2021.
2. The Mech Evaporation system was manufactured, installed by Flowcentric Mining Technology on a Turnkey basis.
3. Flowcentric mining Technology is responsible for operations and maintenance on the system for the past 2 years.
4. Flowcentric mining Technology is responsible for out of warranty part replacements.
5. Current TDS at Cell 7 is around 117970.

We have experienced a good working relationship with Flowcentric Mining Technology thus far.

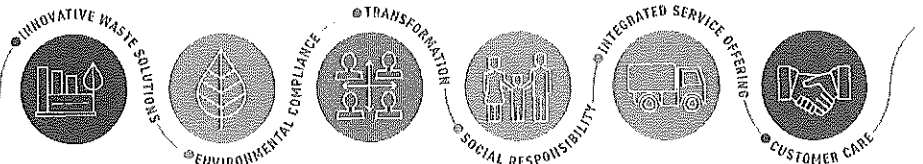

We trust you find this in order.

Regards

Avinash Ramsaywok
National Process Operations Manager
